RELATED EXPERIENCE

University of Richmond, Richmond, VA
Head, Resource Acquisition and Delivery   **May 2013 – Present**
> Provide leadership, expertise and effective management for the Boatwright, Music, and Media Resources Libraries' print and electronic materials budgeting and procurement ($3.9 mil). Manage licensed, purchased, and open access electronic resources (approx. 400 databases, 126,000 ejournals, and 386,000 ebooks). Supervise 3 FTE staff. Work collaboratively with library staff in other areas including outreach and instruction and library systems in order to identify new resources in all formats, negotiate licenses, manage ongoing access to electronic resources, and make collection development decisions based on all available data and user feedback. Communicate with appropriate staff of the Law School Library regarding shared electronic resources.

University of Richmond, Richmond, VA
Electronic Resources Librarian   **Dec. 2007 – Apr. 2013**
> Manage electronic serials collection and online subscription databases using Serials Solutions 360 suite and Ex Libris Voyager; coordinate access to online resources in the catalog and the library's website, promote use of serials and electronic resources to the teaching faculty and students, assess use and value of collection. Coordinate the acquisition of electronic resources with the Collection Development Committee, including trial set-up and license agreement negotiation. Provide instruction on the use of electronic resources to library staff, faculty, and students. Supervise 1 FTE staff.

Central Washington University, Ellensburg, WA
Serials & Electronic Resources Librarian   **Sep. 2004 – Nov. 2007**
> Supervise 2.7 FTE (3.25 FTE, Sep. 2004 – Mar. 2006) Serials Department staff and departmental operations; serials check-in, claiming missing issues, binding paper issues, staffing a public service desk. Manage $630,000 serials and electronic resources budget; allocate funds, coordinate title/resource selection, collaborate with Orbis Cascade Alliance consortia institutions, pay invoices, review license agreements. Manage print & electronic serials collection, as well as the online subscription databases using SerialsSolutions Article Linker and Innovative Interfaces Serials and ERM modules; coordinate access to online resources in the catalog and the library's website, promote use of serials and electronic resources to the teaching faculty and students, assess use and value of collection. Coordinate the collection development of

monographic resources with assigned academic departments. Provide instruction on the use of electronic resources to faculty and students.

Eastern Kentucky University, Richmond, KY
Serials & Electronic Resources Librarian   Nov. 2001 – Aug. 2004
Catalog and manage print & electronic serials collection, as well as the online subscription databases; provide access to online resources through the catalog, coordinate access through library's website, promote use of serials and electronic resources to the teaching faculty and students, assess use and value of collection, review license agreements. Coordinate implementation of SFX OpenURL link resolver database; co-chair implementation committee, add and remove data about online holdings from the Knowledge Base, setup and maintain OpenURL linking in online databases, manipulate monthly update reports for library webmaster to import into online journal database. Coordinate implementation of SerialsSolutions A-Z journal list; add and remove data about online subscriptions from the library profile. Provide research assistance at the reference desk. Coordinate the collection development of monographic resources with assigned academic departments.
